Floral, precise and intense on the nose, an immediate and wonderful reminder of the elegance and appeal of champagne versus the more concentrated fruit character of the best English sparkling wines. Acacia, honey, majoring on citrus rather than red fruit aromas (surprisingly, given there is 75% Pinot Noir in the blend!). The autolytic character is a background note, fine pastry and pain d'epices rather than a rich, leesy-style. Delicate lemon flavours with a clean, chalky texture, great acidity, intense on the palate. RKL "A very refined example, zesty and limey on the nose with supporting floral notes. Elegant palate, with great purity on the finish. 93 points."

“Very cool and reserved at the front, but this is an enormously deep and complex wine that has staggering mineral intensity. The lime and oolong-tea freshness effortlessly swallows up the unfermented grape sweetness, as if it didn't really exist. Some will criticize, saying that this is too radical, but that's what creates the great excitement! The herbal freshness at the finish is really astounding. Drinkable now, but best from 2023. 99 points” jameessuckling.com

It has an extremely pure, slightly floral bouquet of bright blueberry and black currant fruit infused with scents of crushed iris petals and violets, almost Burgundian in style. The palate is extremely well balanced with perfectly pitched acidity and filigreed tannins. There is an unerring sense of weightlessness about this Syrah, which is one of the most precise Lismore reds I have encountered over several years of tasting. Absolutely stunning. 2022-2048. 97 points." Neal Martin, Vinous.com</i> | | | | | | |
